H.O.G. Flash

Welcome to a brand new Chapter year! Your committee for the 2017/2018 have completed their Handovers with their predecessors where applicable and they all are already hard at work, both in the club grounds and the Rally organisation tasks.

We hope that the club meeting and Marc's address has put some doubts, wonderings and questions at ease and we can move on to having a great year of riding, Chapter celebrations, camaraderie, yummy Saturday BBQs and lotsa coffee!

I've been everywhere, man!

In 1994 TSV H.O.G. hosted their 2nd State Rally and that was the first time a rally had been hosted offshore.

Chapter #9159 is 25 years old and as a nod to our past the club took a trip.

Well its true H.O.G.s float very well across the waters between Townsville and Magnetic Island!

Lead by Happy and Curly we headed off from the barge to explore Magnetic Island. Although the ride was short the view and company was awesome!

Albert and Janet Spargo (Albert a previous club director) were brilliant hosts to the 20 odd members who made the journey. There was plenty of sunshine, laughs and memories shared over copious amount of ale, food and pool games.

Arcadia Hotel and Motel accommodated the TSV H.O.G. very nicely special mention to the lovely Crystal . Alien 8 thumped out the music and true to form H.O.G.s partied through the night. Highly recommend this as a regular destination for TSV H.O.G. - its just on our backdoor step.

Quote of the month

People are more violently opposed to fur than leather because it's safer to harass rich women than motorcycle gangs.

Nape rocking the BBQ and his bod!

I ride a 09 flstc Heritage.

I've been a member of our HOG Tsv Chapter since 2014

I haven't been as active in our Chapter as I would have liked due to personal reasons but I'm now working towards being a more active member. I enjoy doing the BBQ on a Saturday and mingling with my other HOG Brothers and Sisters and cooking up a storm.

Also I'm looking forward to our Rally next year and supporting our Committee to make it a great event .

Meet your Committee member

Gessie Paxton, *Director*

Gess has been in the Townsville H.O.G. Chapter for some years now and previous to the Director's position, Gessie very successfully fulfilled the LOH officer position in our club for 2 years in a row.

As a H.O.G. club Director, Gess has a range of responsibilities and as a newly elected member of the club committee it is very much up to the rest of the club members to support her and to ensure that she does an awesome job!

Gessie is also a committee member for the upcoming State H.O.G. Rally that will be held in Townsville in May 2018.

All for one and one for all!
